Students from other non-ASEAN Asian countries pay fees at the Malaysian rate. Please check with the AGST Alliance registrar.
- Students from non-Asian countries, expatriates working in an Asian country but supported financially from a non-Asian or Asian high-income economy country, and those who receive scholarship funding from trusts/foundations pay the SG\$ rate.
- Students auditing modules will be charged 60% of the full fee of the fee schedule they are eligible for.
- Fees are paid in advance of the component of the program they are for.
- The coursework fees are set on the basis of all credits being completed as DMin modules. Students cross-crediting courses into their DMin program will pay a 10% administration fee for each credit transferred.

## Fees Payment Dates

Program fees may be paid in instalments rather than one lump sum.

Payment is in advance of work for the program. Thus the payment schedule is:

<ul style="list-style-type: none"><li>• By the beginning of the on-campus sessions of each coursework module</li></ul>	The fee for the module
<ul style="list-style-type: none"><li>• Prior to beginning the dissertation</li></ul>	Dissertation fee
<ul style="list-style-type: none"><li>• Prior to graduation</li></ul>	Graduation fee

If you anticipate difficulty paying your fees on time, you should discuss options with your program director **in advance of the scheduled payment date**.

## Other costs

We try to keep the program fees affordable – but appreciate that there are other significant costs also.

- Travel and living expenses for the on-campus sessions of the coursework modules.
- Library membership fees.
- Purchase of books/photocopying.
- Internet access.
- Travel (and accommodation) as necessary for research and to meet personally with supervisor(s).
- Copying and binding the thesis/dissertation.
- Use/purchase of graduation attire.

Request a copy of our resource *Approximate total program-related costs for AGST Alliance programs*, which gives indicative figures for these items.

## Scholarships

We regret that no scholarship money is directly available from AGST Alliance.

However, we actively support student applications to trusts/foundations for financial assistance.

## Fees refund

If a student withdraws from a program, a request for fees refunds may be considered; but the student should initiate the request within three months of withdrawing.

If a student withdraws from the program for other than significant compassionate reasons, no refund of fees will be made.

If a student has paid fees in advance, a refund equivalent to complete components of the program (e.g. coursework modules) not attended will be refundable.

An administration fee of 10% of the amount to be refunded will be charged for fees refunds.
